

## INAUGURAL SOUTH PACIFIC ATHLETICS CHAMPIONSHIPS

### Magenta Stadium NOUMEA - 1976

This championship filled the four-year void between South Pacific Games. It was staged in attempt to provide much-needed competition for the athletes of the Pacific Island Region.

The dates for each individual event were not in the *Resultats Officiels* booklet, but were sourced from Tony Isaacs' *South Pacific Athletics 1976* publication. The correct spellings of many of the names, also comes from the Tony Isaacs publication.

Unlike the South Pacific Games, athletes resident overseas were not eligible to compete.

The countries competing were -
