The above results have been obtained from Tony Isaacs' ***Pacific Islands Athletics Annual 1984 - Melanesia - Polynesia - Micronesia***

No wind readings were provided in the results in the above publication.  
The Fully Automatic Timing failed on 12<sup>th</sup> September, and hand times (h) were then used.

We are asking for help from interested readers to provide additional information to make the results a fuller, and more accurate, document. Needed are -

- the names of the relay runners for each country
- the full series for each competitor in the field events.
