FIJITV

Welcome President, Oceania Athletics Association

Greetings from Suva and a warm welcome to the Athletes, Officials, Team Managers and many other friends of Oceania Athletics Association.

It is with much pleasure that we welcome you to Suva, Fiji.

There is no doubt that these Championships are sure to bring plenty of excitement to Suva. This is the first time the Oceania Championships have been in Fiji, since the first edition, way back in 1990.

This is by far and away Oceania's biggest Area Championships, with over 600 athletes, from 22 Member Federations participating.

We welcome our Sponsors of the Championships, without such support, these Championships wouldn't be possible.

The Local Organising Committee for these Championships has worked tirelessly to ensure the Championships are brought to fruition and are a huge success - we take this opportunity to thank each of the Members of the Local Organising Committee for their commitment.

To each of our Team Athletes, Team Managers and Coaches we congratulate you on your selection to the 2017 Oceania Championships. We invite all athletes, team officials and technical officials to take this opportunity to enjoy Fiji and all it offers.

We thank you for your continued commitment to Athletics in the Pacific – we look forward to meeting with you in Fiji and sharing some wonderful memories.

Geoff Gardner
President, Oceania Athletics Association

Welcome President, Athletics Fiji

Bula

On behalf of Athletics Fiji we would like to welcome you to Suva for the 2017 Oceania Athletics Area Championships. Last year we enjoyed a successful Melanesian Championships in Suva and this year we are looking forward to hosting the latest edition of the Area Championships. It is quite an event for Fiji given that the first ever Oceania Area Championships were held here in 1990, at the very same track in which I was one of the athletes competing for Fiji. We are delighted to see some of our Athletes from 1990 back here in 2017 competing and taking on management, coaching and technical official roles.

Athletics is at the heart of most Fijians and to have an event of this magnitude here in Suva is testament to our desire to continue to make Athletics the number one individual sport in Fiji. We are very grateful to the International Association of Athletics Federations (IAAF), Oceania Athletics (OAA) and the International Athletics Foundation (IAF) for their continued support in our region.

This year Athletics Fiji was awarded an IAF Grant which has allowed us to bring Pole Vault back to Fiji – the first time since the South Pacific Games in 2003, we offer our warmest thanks to the IAF for supporting our Grant Application.

The continued support of the IAAF through the Oceania Area Association enables all Member Federations to compete at the Area Championships and to continue developing our sport in-country, thus continuing to make us the Number 1 Olympic Sport.

We take this opportunity to congratulate all athletes on their selection to compete at these Championships, we trust that the competition is all that you expect and that your performances result in personal bests, national records and for some of you the elusive medals. Thank you to our sponsors, Shop and Save, Fiji Sports Commission and the Fiji Sports Council for their continued support.

Joe Rodan
President, Athletics Fiji

Medical Procedures

During the Championships, including training and warm-up, medical services will be available. These will include Physiotherapists, Doctors and St John's Medical.

Duty of Care

The Duty of Care will remain with Team Management for the entire period of their stay in Suva.

Availability of Ice

Ice will be available at the Stadium for the athletes.

Doping Control

Drug testing may be undertaken at the Oceania Area Championships. The Local Organising Committee has provided an adequate facility in which the sampling and secure storage of samples can be conducted.

Please ensure that your athletes understand the procedures. Make sure that someone responsible who knows the procedures attends the process with them. It is a very personal experience and if it is the first time that they are required to complete the procedure, they may find it very embarrassing. They have no choice in the matter, once asked by a member of the Drug Testing Agency.

Pre-Existing Conditions

Any team members who enter the Village with a pre-existing condition will be charged for medical, dental or physiotherapy costs incurred.
